

Noise Day

Let's have one day for girls and boyses
When you can make the grandest noises.
Screech – hiccup – whistle – shout,
Laught until your lungs wear out,
Toot a whistle, kick a can,
Bang a spoon against a pan,
Sing, yodel, bellow, hum,
Blow a horn, beat a drum,
Rattle a window, slam a door,
Scrape a rake across the floor,
Use a drill, drive a nail,
Turn the hose one the garbage pail,
Shout Yahoo – Hurrah – Hooray,
Turn up the music all the way,
Try and bounce your bowling ball,
Ride a skateboard up the wall,
Chomp your food with a smack and slurp,
Chew – chom – hiccup – burp.
Onde day a year do all of these,
The rest of the days - - be quiet please.
